

AHS Grad Night 6/6/2018 Senior Parents Needed!

Each year, senior parents host a grad night party for all graduating students. It is a big project, but well worth the work. The graduates enjoy their last event as a class, and many teachers and administrators join in. This event can only happen with the help of senior parent volunteers. Please offer your time and ideas to this worthwhile celebration. You will not want to miss it.

Thank you.
