<p>Junior Council</p>	<p>As a class council, we meet every Wednesday for council meetings at lunch. We hosted class bonding events (Cocoa & Churros, Pizza Party) and spirit activities for the entire school to enjoy (Mr. AHS, ABDC). Additionally, we organized an all-class council fundraiser. Our main task consisted of chairing Spring Fling and Spring Spirit Week. To plan these two major events, we held all-ASB meetings during lunch and after school, and there were also decoration shifts at lunch and after school to make decorations for spirit week. Delegating work to other council members, Junior Council separated members into committees: Dance, Publicity, Ticket, and Spirit Week.</p>
<p>Sophomore Council</p>	<p>Being a part of a class council brings you a priceless bond between 7 individuals whom you may or may not have known a year ago. Together, along with our advisors, we meet every Wednesday for council meetings at lunch. Our overall task as a council is to serve, help, and provide for our class. We planned and hosted bonding events (Pie Party, S'mores Social) along with lunchtime Spirit Activities such as the Turkey Stuffing Activity and the Rap Battle. We also planned and hosted the Dodgeball and Basketball Intramurals alongside Freshman Council and the Athletics Commissioner.</p>
<p>Freshman Council</p>	<p>The acclimation to a new unfamiliar school combined with the</p>

steep learning curve of functioning within ASB may present an intimidating challenge for an incoming student, but have no fear: it will be mitigated with a lessened burden, fewer expectations, and upperclassmen eager to assist you, to the point where work may feel negligible and more enjoyable. From our experiences, we can gladly say that adjusting is fast and easy, as our first semester served entirely as an introduction to our roles and were spent assisting other class councils in their planned activities, including class bonding events, Homecoming Day, and Dodgeball Intramurals. Through this we were able to prepare for the second semester, when we hosted our first fundraising event, the Milk Tea Fundraiser, and our first bonding event at the Pasadena Ice Skating Center. The size and overall success of your events will largely be up to your choice, but the amount you will learn will be invaluable for the following years.
